SUBJECT: **FUNDING REALLOCATION FOR SOCIAL MODEL RECOVERY SYSTEMS, INC.,  
CONTRACT NO. PH-000308**

This is to inform you that we plan to implement the adjustments and reallocations provision for our agreement with Social Model Recovery Systems, Inc., using the delegated authority granted by the Board on June 10, 2008 (Board Agenda Synopsis #31). This provision allows the Director of Public Health or his authorized designee to reallocate funds up to 25 percent of the contract's budget, or \$100,000, whichever is greater.

I am recommending this funding reallocation to enable the agency to maximize contract services and funding. Alcohol and Drug Program Administration is proposing to adjust the contract as indicated in the following attachments:

Attachment 1 - Description of the services affected by this amendment  
Attachment 2 - Agency's current and proposed funding amounts

If you have any questions or need additional information, please let me know.

OUTPATIENT COUNSELING SERVICES (CW)

Outpatient counseling services are drug and alcohol treatment and recovery services, which include crisis intervention, counseling, and participant referral services, provided to individuals and families who are affected by drug and/or alcohol related problems. Referral may be made to medical detoxification services, residential and recovery house services, methadone services, psychiatric services, or other appropriate treatment services. Participants receive counseling at least two (2) times per month and attend self-help support groups at least two (2) times per week. Programs also provide outreach and orientation to prospective participants, including conducting educational presentations on drug and alcohol treatment and recovery services to CalWORKs applicants at welfare offices and other approved locations.
